  - Recent school safety issues – 2 enews letters were sent home about two separate isolated situations, both regarding students making impulsive statements during times of frustration. These situations were followed up by the school liaison officer. All parties involved were very cooperative and understanding. Situations were resolved with appropriate consequences.
  - Car pick-up procedure – 2 staff members have been monitoring and guiding traffic as parents have begun using the Pleasant View Baptist parking lot for overflow traffic to keep cars off of Crow Creek Road. It's been going smoothly and it is working. It has been noted that some cars are now using the Shadowbrook neighborhood instead, which is not part of the procedure. Bettendorf police are aware. Construction plan has been made and will be completed over the summer for the start of the 2022 school year.
- Treasurer's Report – Erin Onions
